- **A VALID DRIVER'S LICENSE or Firearms Permit / Carry Permit.**

HOLSTER AND GEAR RECOMMENDATIONS:

- Strong-side, outside the waistband polymer or Kydex holsters are strongly suggested for this course, especially if this is your first formal defensive pistol course.
- The **holster should be model specific** (made specifically for your make and model handgun).
- **NO** weak or worn out leather, or flimsy nylon holsters are allowed.
- Appendix carry holsters **ARE NOT ALLOWED**.
- **Experienced shooters may use** strong-side inside the waistband polymer or Kydex model specific holsters and wear a cover garment.
- A QUALITY GUN BELT is required.
- Your instructor will review your holster and gear during dry fire exercises. If the instructor feels your gear is unsafe for the course, you will need to rent or purchase the proper gear

LUNCH - Since we have a lot of material to cover during class, we will have a **working lunch**. We offer a catered lunch for \$10.00 per student per day. If you prefer, you can bring your own lunch.
