polycarbonate lenses and are large enough to completely cover your eyes. *We do offer low cost options for sale in our Pro Shop.*

- **EAR PROTECTION - This is required!** Electronic headsets are preferred, as they allow you to easily hear range commands without having to remove your ear protection. Standard headsets or ear pieces are allowed so long as they are quick and easy to put on and take off. Please, **NO FOAM** ear pieces. *We offer Electronic headsets and other less expensive headsets for sale in our Pro Shop.*
- **BRIMMED HAT OR VISOR - This is required!** A hat or visor is required to ensure brass or other items do not get lodged between your eye and eye protection. *We have these items for sale in our Pro Shop.*
- **A VALID DRIVER'S LICENSE** or Firearms Permit / Carry Permit.

HOLSTER AND GEAR RECOMMENDATIONS:

- Good quality Kydex, leather or other rigid material holsters that are gun model specific and can be re-holstered one handed should be used for Inside or Outside the Waistband holsters.
- The **holster must orientate the gun in a safe direction** (Small of the back holsters that point the firearm in an unsafe direction and can't be re-holstered one handed **ARE NOT ALLOWED**).
- Weak, worn out leather or flimsy nylon holsters **ARE NOT ALLOWED**.
- **Concealed Carry Purses, Pocket Holsters, Belly Bands and Ankle Holsters are allowed, but they must be safe and relatively easy to re-holster.**
- Your instructor will review your holster and gear during dry fire exercises. If the instructor feels your gear is unsafe for the course, you will need to rent or purchase the proper gear. Please refer to the attached Gun Rental Policy.

Please review our **Cancellation Policy, Gun Rental Policy** and **Range Safety Acknowledgement** forms available online at <https://www.boondocksfta.com/class---policy-info.html>
