

Gun Rental, Ammunition, and Gun Fitting Policy

Gun Rental and Ammunition Policy - Gun rental packages are available for any of Boondocks' training classes. Gun rental cost is \$25.00 per day and all ammunition for the rental guns must be purchased through the Pro Shop. No private ammunition may be used in any of the rental guns. Ammunition prices vary by caliber and market price. All gun rental and ammunition payments must be purchased in the Pro Shop the day of your class.

Gear Rental Policy — Boondocks also offers gear rental which includes gun belts, magazine pouches and holsters for our rental guns. Gear rental cost is \$10.00 per day.

For example – A two-day firearms training course with gun and gear rental is \$70.00 (Gun Rental \$25.00 x 2 Days + Gear Rental \$10.00 x 2 Days = \$70.00)

Gun Fittings — If you are renting a gun and/or gear for your class, you are strongly encouraged to set up a Fitting at least one week prior to the day of the class. The Fitting allows you to try out several different makes, models, and calibers of firearms to determine which one you should use for your upcoming course. There is no additional charge for the Fitting for any student signed-up for a Boondock's shooting course.

For customers who have not signed up for a class, we offer Private Fittings for \$50, which includes time on the firing range to try out several different firearms. In addition, any student who purchases a gun within 14 days following the completion of their training class or Private Fitting will receive a \$25 discount on their firearm purchase through the Pro Shop. (This discount cannot be combined with any other promotion or sale.)

Try It Before You Buy It - Our collection of rental firearms gives you the opportunity to try it before you buy it. Customers may try up to 3 firearms with 3 rounds each before making the commitment to purchase a firearm through the Pro Shop. Please note: If you show up the day of your class without the required gear for your course you will need to purchase or rent the necessary items from the Pro Shop. In cases where the required gear is not available for sale, you will need to rent a gun and/or gear and purchase the necessary ammunition for your class. If you choose not to rent the necessary, gun and/or gear you will be responsible for any re-booking or cancellation fees, as stated in our Class Re-booking and Cancellation Policy.
